RACHEL FRANKLIN

Professor of Geographical Analysis
Centre for Urban and Regional Development Studies
School of Geography, Politics and Sociology
Newcastle University
Newcastle upon Tyne, United Kingdom
rachel.franklin@newcastle.ac.uk | rachelfranklin.org

Education

PhD **Geography,** University of Arizona, 2004
minor: Spatial Analysis and Remote Sensing

MA **West European Studies**, Indiana University, 1996

BA **French** and **Political Science**, Indiana University, 1994, *With Distinction, Phi Beta Kappa*
minors: Italian and Spanish

Degré d'Etudes Françaises, Université de Strasbourg, France, 1993

Appointments

Newcastle University
Head, Newcastle Data, February 2022–present
Professor of Geographical Analysis, Centre for Urban and Regional Development Studies (CURDS), School of Geography, Politics and Sociology, 2018–present

The Alan Turing Institute
Turing University Lead–Newcastle University, 2021–present (0.40 appointment)

Brown University
Associate Director, Spatial Structures in the Social Sciences (S4), 2010–2018
Associate Professor (Research), Population Studies, 2015–2018
Assistant Professor (Research), Population Studies, 2010–2015

University of Maryland
Senior Lecturer, School of Public Policy and **Faculty Associate,** Maryland Population Research Center, 2009–2010
Adjunct Lecturer, School of Public Policy, 2004–2009

American Association of Geographers (AAG)
Deputy Director, 2007–2009

U.S. Census Bureau
Statistician Demographer, Population Distribution Branch, Population Division, 2002–2004

Visiting Academic Appointments

Visiting Scholar, Population Studies, Brown University, 2018–present
Visiting Professor, Gran Sasso Science Institute (GSSI), Italy, 2018–present
Visiting Professor, University of Sassari, Sardinia, Italy, November 2019

Fellowships and Awards

Fellow, Alan Turing Institute, 2018–present
Fellow, Western Regional Science Association (WRSA), 2020–present
Fellow, Royal Geographical Society (RGS), 2020–present
David E. Boyce Award for Distinguished Service to the Field of Regional Science, 2015
AAG Population Specialty Group Student Paper Award, 2003
Benjamin H. Stevens Graduate Fellowship in Regional Science, 2001–2002
AAG European Specialty Group Graduate Student Paper Award, 2001
Lander MacClintock Award for Excellence in Italian Studies, 1994
Phi Beta Kappa, Gamma of Indiana, elected 1994

Research and Training Grants

"Digital Footprints: Strategic Advice Team," U.K. Economic and Social Research Council (ESRC), January 2023–December 2024 (PI, £521,228)

"Estimating Pandemic Effects on Publication in Regional Studies Journals," Regional Studies Association, April–September, 2022 (PI, £28,991)

"Beyond 'Left Behind Places': Understanding Demographic and Socioeconomic Change in Peripheral Regions," U.K. Economic and Social Research Council (ESRC), March 2021–February 2024 (Co-I; £563,618)

"The Impact of the Environment and Pollution on Cognitive Health (EPOCH): Building the knowledge base through international collaboration," U.K. Medical Research Council (MRC), October 1, 2020–September 30, 2023 (Co-I; £538,704)

"Centre for Doctoral Training in Geospatial Systems," U.K. Engineering and Physical Sciences Research Council (EPSRC), April 1, 2019–September 30, 2027 (Co-I; £6,718,389)

"Smart Cities and Inequality," Alan Turing Institute, October 1, 2018–March 31, 2022 (PI; £268,023)

"A Blueprint for Urban Analytics Research Workshop," Alan Turing Institute, April 11–12, 2019 (PI/Organizer; £6,020)

"The Spatial Demography of Population Loss in the United States," Geography and Spatial Sciences (GSS) Program, National Science Foundation (NSF), July 1, 2016–June 30, 2019 (PI; $243,848)

"The Spatial and Demographic Context and Implications of Uneven Population Change," Eunice Kennedy Shriver National Institute of Child Health & Human Development, National Institutes of Health (NIH), March 14, 2016–February 28, 2019 (PI; $152,503)

"The Geography and Policy of Depopulation in the Developed World: A Pilot Study on Germany and the United States," Richard B. Salomon Faculty Research Award, Brown University, 2012 (PI; $15,000)

Center for Spatially Integrated Social Science (CSISS) Workshop Scholarship, 2000

University of Arizona Graduate College Fellowship, 1998–99

Foreign Language Area Studies (FLAS) Fellowship in Catalan, 1994–1995

Publications

Books

Rey, Sergio and Rachel S. Franklin, editors. (2022). *Handbook of Spatial Analysis in the Social Sciences*, Elgar

Franklin, Rachel S. (2016). Book review of "Running the Numbers: A Practical Guide to Regional Economic and Social Analysis," by John Quinterno. M.E. Sharpe, 2014, *Journal of Planning Education and Research* (JPER)

Franklin, Rachel S. (2000). Book review of "Systems of Housing Supply and Housing Production in Europe," by Andrew Golland. *Papers in Regional Science*, 79, 343–345

Teaching

School of Geography, Politics and Sociology, Newcastle University

Mapping the City (GEO 3130): Module leader
Local and Regional Development (GEO 3114): lecture
Local and Regional Development: Methodology, Analysis and Statistics (GEO 8007): lecture

Spatial Structures in the Social Sciences (S4), Brown University

S4 GIS Institute

Department of Sociology, Brown University

Geographical Analysis of Society (SOC 1871W)
GIS and Spatial Analysis for the Social Sciences (SOC 2612)

Principles and Methods of GIS (SOC 1340)
Applications in GIS (SOC 2961B)

School of Public Policy, University of Maryland
Quantitative Methods in Policy Analysis (PUAF 610)
Quantitative Analysis of Policy Issues (PUAF 611)

Department of Geography and Regional Development, University of Arizona
Population Geography (GEOG 367)
Introduction to Human Geography (discussion section instructor) (INDV 102)

Invited Teaching

University of Sassari, Sardinia, Italy
GIS Short Course, November 26–29, 2019

Gran Sasso Science Institute (GSSI), L'Aquila, Italy
Data Visualization and Mapping, June 13–17, 2022; May 10–14, 2021 (led by Sara Caramaschi)
GIS Short Course, June 17–20, 2019; March 26–29, 2018
RSAI-GSSI Summer School of Advanced Economic Geography, July 2–8, 2017

30th ERSA Summer School: GIS and Regional Science: Theory and Applications, University of the Aegean, Lesvos Island, Greece, July 9–15, 2017

Student Supervision and Examination

PhD, Geospatial Systems Centre for Doctoral Training (CDT), Newcastle University
Rachael Sanderson, current
Clara Peiret-García, current

MRes Geospatial Data Science, Newcastle University
Rachael Sanderson, 2020
Clara Peiret-García, 2021

PhD Committee Member, Brown University
Benjamin Bellman, Sociology, 2020

Master of Public Health, Brown University
Edwina Williams, May 2013 (advisor)
Nirdesh Tuladhar, May 2015 (reader)

Undergraduate Thesis, Brown University
Mika Matsuno, Sociology, 2018 (advisor)
Hannah Pullen-Blasnik, Sociology, 2016 (second reader)
Margaret Livingstone, Urban Studies, 2016 (second reader)
Valeria Fantozzi, Development Studies, 2014 (second reader)
Ashlyn Koga, Sociology, 2014 (second reader)
Jane Furey, Sociology, 2014 (second reader)

Scholarly Oversight Committee, Medical School, Brown University
Natalie Kissoon, 2013–2015

External PhD Examiner
Petra de Jong, University of Groningen, Netherlands (Assessment Committee) (Sept. 2021)
Richard Rijnks, University of Groningen, Netherlands (Examining Committee) (Oct. 2020)
Ana Petrović, TU Delft, Netherlands (Doctoral Committee) (Sept. 2020)
Paola Proietti, Gran Sasso Science Institute (GSSI), L'Aquila, Italy (Feb. 2019)
Therese Norman, Jönköping International Business School, Sweden (Sept. 2017)

Post-Doctoral Research Associate Supervision/Mentorship

Gainbi Park, Lecturer, Newcastle University (2021–2022)
Eman Zied, Postdoctoral Research Associate, Newcastle University (2021–2022)
Victoria Houlden, Lecturer, University of Leeds (2019–2020)
Caitlin Robinson, Lecturer, University of Liverpool (2019–2020)
Eric Seymour, Assistant Professor, Rutgers University (2017–2019)

Conference and Workshop Keynotes/Plenaries

"The changing data ecosystem in demography. Non-traditional data sources," Plenary, with Alice Reid and Andy Tatum, British Society for Population Studies (BSPS) 2022 Conference, Winchester, England, September 5, 2022

"Choose Your Own Adventure: Charting a Fulfilling Professional Path in the Geospatial Sciences," Keynote, TRELIS 2022 Workshop, University Consortium for Geographic Information Science (UCGIS), Minnowbrook Conference Center, Blue Mountain Lake, New York, June 6, 2022

"Locating the "Left Behind"—Multidimensionality, Scale, and the Role of Demographic Change," Keynote, From Depopulation to Left-Behind Places: New Challenges, New Policies Workshop, Universitat Jaume I de Castellón (UJI), Castellón, Spain, May 31, 2022

"Sensing Inequality: Smart Cities, Sensor Deserts, and Equitable Decision-Making," Keynote Address, The 2021 European Colloquium on Theoretical and Quantitative Geography (ECTQG), Manchester, November 5, 2021 (virtual)

"Of Decisions and Deserts: Helping Cities Be Smart, Just, and Good," Keynote Address, 24th Association of Geographic Information Laboratories in Europe (AGILE) Conference, June 11, 2021 (virtual)

"Migration, Population Loss, and the Smaller Picture," Keynote Address, International and Internal Migration: Challenges and Opportunities in Europe Workshop, Gran Sasso Science Institute (GSSI), L'Aquila, Italy, January 17, 2020.

"Inequality and the Smart City," Keynote Address, GeoComputation 2019, Queenstown, New Zealand, September 20, 2019.

"I Come to Bury Growth, Not to Praise It," Keynote Address, Regional Studies Association Annual Conference, Santiago de Compostela, Spain, June 5, 2019.

"Loss and Space: Scale, Measurement, and the Implications of Unequal Population Change," Keynote Address, 40th Annual Conference of the Australia New Zealand Regional Science Association International (ANZRSAI), Melbourne, Australia, December 5, 2016.

Invited Presentations and Panels

"Estimating Pandemic Effects on Publication in *Regional Studies* Journals," CURDS Seminar, Newcastle University, December 8, 2022 (with Gainbi Park)

"The (Business) Case for Data," 21th IFIP Conference e-Business, e-Services, and e-Society (I3E2022), Doctoral and Early Career Researcher Symposium, Newcastle University, September 12, 2022

"Discoveries from the Lab," Opening Panel, AI UK, London, March 22, 2022

"Spatial Inequality and the Smart City," Urban Analytics Programme, Monthly Meet Up, Alan Turing Institute, February 28, 2022 (virtual)

"Mind the Gap! Today's Data for Tomorrow's Innovation," Newcastle Discover Talks–Data, Newcastle University, January 27, 2022 (virtual)

"Spatial Inequality and the Smart City," Turing Fellows Project Seminar Series: Urban Analytics, October 7, 2021 (virtual)

"Who Counts in the Smart City?," Citizens Collective, TU Delft, September 15, 2021 (virtual)

"Patterns of Demographic Change," Symposium on Legacy Cities and Left-Behind Places: Comparative Analysis, Policy and Practice, organized by Lincoln Institute for Land Policy and the Bartlett School of Planning at UCL, June 17, 2021 (virtual)

"Sensor Placement, Inequality, and Informed Decision Making in the Smart City," GIScience Center, Department of Geography, University of Zurich, May 25, 2021 (virtual)

"The Spatial Demography of Depopulation," Geography, Queen's University Belfast, May 20, 2021 (virtual)

"Spatial (Data) is Special: Creating Space in Social Science and Humanities Research," Demystifying Data Workshop, Institute of Social Science, Newcastle University, March 25, 2021 (virtual)

"The Spatial Demography of Depopulation: The U.S. Example," School of Geography, Geology and the Environment, University of Leicester, January 13, 2021 (virtual)

"Optimising for Equity: Sensor coverage, networks, and the responsive city," Bartlett Centre for Applied Spatial Analysis (CASA), University College London (UCL), December 2, 2020 (virtual)

"The Geography of Depopulation in the United States," Charlas de Economía (Economics Seminars), Universidad Icesi, Colombia, November 5, 2020. (virtual)

"Sensing Inequality: Smart Cities, Sensor Deserts, and the Politics of Decision-Making," Lectures in Planning (LiPS), Columbia University, Graduate School of Architecture, Planning and Preservation (GSAPP), September 29, 2020. (virtual)

"Smart Cities and Spatial Inequality," Social Sciences Webinar Series, Gran Sasso Science Institute (GSSI), May 12, 2020. (virtual)

"Friendly for the Ages: Demographic Change and Inclusive Rural Policies," OECD Rural Development Conference, Seoul, South Korea, September 25, 2019.

"Population Loss in a U.S. Context: Where, Who, How?" University of Bristol, School of Geographical Sciences, March 25, 2019.

"Social Justice, Inequality, and Technology: Something Old, Something New, Something Borrowed, Something True," Not Equal Launch Symposium, London, January 29, 2019.

"The Spatial Demography of Population Loss: Insights from the United States," JDS International Seminar, University of Tsukuba, Japan, January 24, 2019.

"What Kind of Loss for What Kind of Place?: A Typology of Demographic Decline for U.S. Counties," Department of Geography and Planning, University of Liverpool, 11 December 2018.

"The Geography of Population Loss: A Typology of Decline for U.S. Counties," Newcastle University Geomatics and Water Resources Seminar, Newcastle University, 10 December 2018.

"Growth and Decline: Capturing the Spatial Dimensions of Decline," Urban-Rural Synergies Seminar, University of Wageningen, The Netherlands, September 14, 2018.

"Capturing the Spatial Dimensions of Decline: Metrics for Characterizing Population Loss," Department of Geography, University of California, Santa Barbara, March 12, 2018.

"Landscapes of Loss: Depopulation and the Roles of Scale, Context, and Measurement," School of Geography and Earth Sciences, McMaster University, Canada, March 7, 2018.

"The Geography of Population Loss in the U.S.: New Insights from a Typology of Decline," School for Environment and Sustainability, University of Michigan, November 29, 2017.

"Regions and Populations: Demographic Change and Resilience," presented in The Regional Dimension of Inequality: Territorial Responses in a Rapidly Changing Economic Environment, European Week of Regions and Cities 2017, October 10, 2017, Brussels, Belgium.

"Going with the Flow? Spatial Focusing and the State-to-State Migration Behavior of College-Bound Students in the United States," Jönköping International Business School, Jönköping University, Sweden, September 28, 2017.

"Disparities in Decline: The Spatial and Demographic Burden of Population Loss in U.S. Cities," ERSA Policy Day: Growing Inequalities and Their Regional Implications, *57th European Congress of the Regional Science Association International*, Groningen, The Netherlands, August 31, 2017.

"Covering the Losses: Quantifying the Burden of Decline in Shrinking U.S. Cities," Department of Geography, University of Connecticut, October 28, 2016.

"Impacts of Uneven Population Change in the United States and the Demographic Burden of Decline," Population Geography and the Future of Urbanization in China, Symposium for Commemorating the 80th Anniversary of the Discovery of Hu Huanyong Line, East China Normal University, Shanghai, China, November 6–8, 2015.

"The Demographic Burden of Population Decline in U.S. Cities," Regional Research Institute, West Virginia University, Morgantown, September 24, 2015.

"GIS and Spatial Analysis for Population and Development Research," BIARI Population and Development, Brown University, June 2015; June 2014; June 2013; June 2012.

"Finding the True Migration Magnets: Decomposing the Sources of Human Capital Stock Increases in U.S. Metropolitan Areas," Department of Geography and Planning, University of Toledo, April 17, 2015.

"GIS and Unique Solutions," BIARI Connections and Flows, Brown University, June 2014.

"College Student Migration in Southern New England: Who Comes, Who Goes, and Why We Might Care," presented in special session, *Who Do We Plan For – The Demographics of Southern New England*, Southern New England American Planning Association (SNEAPA) Conference, Worcester, Massachusetts, October 17, 2013.

"Shrinking Cities and the Migration of the College Educated," Beijing Forum 2013, Beijing, China, October 31–November 3, 2013.

"Urban Core Versus Hinterland: Some Thoughts on the Spatial Context of Population Change," Workshop on the Future of the '*New Urban World*': Economic, Social and Spatial Transformation of Cities, Naples, Italy, May 2–3, 2013.

"A Geography of Contrasts: Postwar Population Change in the United States," Showcasing the Digital Scholarship Lab Speaker Series, Brown University, April 4, 2013.

"Urban Decline in a Wider Context of Growth: On the Nature of Declining Places," Beijing Forum 2012, Beijing, China, November 1–4, 2012.

"Reading Demographic Tea Leaves: Population Change and Urban Futures," Workshop on Future Challenges of the New Urban World: What Model of Development for the Moroccan City? Institut Royal des Etudes Stratégiques (IRES), Rabat, Morocco, October 1–2, 2012.

"Livability for All? A Meditation on First Principles and the Potential Importance of Life Course Considerations," The New Urban World Session, 52nd European Congress of the Regional Science Association International (RSAI), Bratislava, Slovakia, August 21–25, 2012.

"The Geography of Human Capital Potential: Exploring the Dynamics of College Student Migration in the United States," Department of Geography, University of Connecticut, March 30, 2012.

"Homeownership, Home Foreclosure, and Nativity: Evidence from Miami-Dade County, Florida," Workshop on Immigration, Federal Reserve Bank of Chicago, Illinois, November 2011.

"Measuring Population Composition, Concentration, and Heterogeneity: The United States in the New Millennium," Department of Geography, National University of Singapore, August 12, 2011.

"Spatial Analysis and Inequality," BIARI Development and Inequality Institute, Brown University, June 15, 2011.

"The Geography of Student Diversity in American Higher Education: An Evaluation and Explanation," IGU 2010 Conference on Wellbeing, Innovation and Spatial Transformation, University of Groningen, The Netherlands, July 1–4, 2010.

"Using Migration Flows to Develop Spatial Weights Matrices: An Italian Fertility Example," Spatial Analysis Group, Maryland Population Research Center, University of Maryland, March 31, 2006.

"Assessing the Changing Geography of Italian Regional Fertility," Geography Department, University of Maryland, College Park, 2003–2004 Seminar Series, September 11, 2003.

"Adding Value to Demographic Research in Mauritius," at the Mauritius Environmental Resource Management and Industrial Development (MERMAID) Workshop, Mauritius, June 2001.

Conference Presentations

"Get Smart: Helping cities be intelligent about sensor placement," Alan Turing Institute, AIUK Smart Cities Session, September 28, 2020. (virtual)

"Depopulation and the Demographic Components of Change: Exploring the Connections in a United States Context," (co-authored with Eric Seymour and Will Violette) *59th European Congress of the Regional Science Association International*, Lyon, France, August 27–30, 2019.

"Regional Inequalities in the Role of Immigrants in Offsetting Demographic and Economic Decline," (co-authored with Sharmistha Bagchi-Sen, Peter Rogerson, and Eric Seymour) *47th Annual Conference of the RSAI British and Irish Section*, University of Cambridge, July 1–18, 2019.

"Smart city technologies and urban demography: Inequality and sensor coverage deserts," (co-authored with Caitlin Robinson, David Herbert, Philip James, and Stuart Barr) *10th Annual International Population Geographies Conference*, Loughborough University, July 1–3, 2019.

"The Demographic Dividends of Decline: Population Loss and Inequality in U.S. Counties, 1990–2010," (co-authored with Eric Seymour) *Annual Meeting of the Association of American Geographers*, Washington, DC, April 3–7, 2019.

"The Socio-Economic and Demographic Impacts of Population Loss in the United States in Recent Decades," (co-authored with Eric Seymour) *65th Annual North American Meetings of the Regional Science Association International*, San Antonio, Texas, November 7–10, 2018.

"Wrestling Small to the Ground: Spatial Analytics for Urban Population Loss," (co-authored with Eric Seymour), *58th European Congress of the Regional Science Association International*, Cork, Ireland, August 28–31, 2018.

"The Landscape of Loss: Connecting County-Level Depopulation and the Demographic Components of Change," (co-authored with Eric Seymour and William Violette) *Annual Meeting of the Association of American Geographers*, New Orleans, Louisiana, April 10–14, 2018.

"The Dimensions of Decline: Measuring Urban Population Loss," (co-authored with Eric Seymour) *2018 Annual Meeting of the Population Association of America*, Denver, Colorado, April 26–28, 2018.

"Spatial Metrics for Urban Population Loss," (co-authored with Eric Seymour) 57th Annual Meeting of the Western Regional Science Association, Pasadena, California, February 11–14, 2018.

"A Typology of Population Change for U.S. Counties," (co-authored with Eric Seymour and William Violette) *64th Annual North American Meetings of the Regional Science Association International*, Vancouver, Canada, November 8–11, 2017.

"The Geography of Population Loss in the U.S.: New Insights from a Typology of Decline," (co-authored with Douglas Hopping) *57th European Congress of the Regional Science Association International*, Groningen, The Netherlands, August 29–1 September 2017.

"Spatial Focusing and the State-to-State Migration Behavior of College-Bound Students in the United States," (co-authored with Alessandra Faggian, Steven Farber, and Jeff Allen) *9th International Conference on Population Geographies*, Seattle, Washington, June 29–July 1, 2017.

"Fifty (or so) Ways to Lose Your Population: Comparing Typologies of Decline for U.S. Counties," *25th Pacific Conference of the Regional Science Association International*, Tainan, Taiwan, May 17–20, 2017.

"Placing People: Examining the Role of Demographic Factors in Urban Development and Change," (co-authored with Sharmistha Bagchi-Sen) *Annual Meeting of the American Association of Geographers*, Boston, MA, April 5–9, 2017.

"The View from Over the Hill: Regional Research in a Post-Demographic Transition World," (co-authored with David A. Plane) *63rd Annual North American Meetings of the Regional Science Association International*, Minneapolis, Minnesota, November 9–12, 2016.

"Measuring the Spatial and Demographic Burden of Decline in Shrinking U.S. Cities," *63rd Annual North American Meetings of the Regional Science Association International*, Minneapolis, Minnesota, November 9–12, 2016.

"Concentrated Decline: Patterns of Population Loss in Shrinking U.S. Cities," *Annual Meeting of the American Association of Geographers*, San Francisco, CA, March 29–April 2, 2016 and *56th European Congress of the Regional Science Association International*, Vienna, Austria, August 23–26, 2016.

"Going with the Flow: The State-to-State Migration Behavior of College-Bound Students in the United States," (co-authored with Alessandra Faggian) *62nd Annual North American Meetings of the Regional Science Association International*, Portland, Oregon, November 11–14, 2015.

"Sources of Human Capital Stock Increases: A Shift-Share Decomposition Approach," *55th European Congress of the Regional Science Association International*, Lisbon, Portugal, August 25–29, 2015.

"Covering the Losses: Measuring Exposure to Population Decline in U.S. Cities, 2000–2010," *44th Annual Conference of the RSAI British and Irish Section*, University College Dublin, Ireland, August 16–18, 2015.

"Decomposing the Demographic Sources of Human Capital Stock Increases in U.S. Metropolitan Areas, 2000–2010," *8th International Conference on Population Geographies*, Brisbane, Australia, June 20–July 3, 2015.

"The Demographic Burden of Population Decline in U.S. Cities, 2000–2010," *2015 Annual Meeting of the Population Association of America*, San Diego, CA, April 30–May 2, 2015.

"Would the Real Migration Magnet Please Stand Up: Decomposing the Sources of Human Capital Stock Increases," *Annual Meeting of the Association of American Geographers*, Chicago, IL, April 21–25, 2015.

"College Student Migration in New England: Who Comes, Who Goes, and Why We Might Care," (co-authored with Alessandra Faggian) *54th Annual Meeting of the Western Regional Science Association*, Tucson, AZ, February 2015.

"For Whom the Bells Toll: Alonso and the Regional Science of Population Decline," (co-authored with Eveline van Leeuwen) *61st Annual North American Meetings of the Regional Science Association International*, Bethesda, MD, November 2014.

"Population Decline and the Five Bells of Alonso," (co-authored with Eveline van Leeuwen) *54th European Congress of the Regional Science Association International*, St. Petersburg, Russia, August 2014.

"Shrinking Smart: Population Decline and Footloose Human Capital," *Annual Meeting of the Association of American Geographers*, Tampa, FL, April 8–12, 2014.

"The Centrifugal Force of Decline: Shrinking Cities and the Migration of the College Educated," *60th Annual North American Meetings of the Regional Science Association International*, Atlanta, GA, November 2013 and *53rd European Congress of the Regional Science Association International*, Palermo, Italy, August 2013.

"Shrinking Cities and the Migration of the College Educated," *42nd Annual Conference of the RSAI British and Irish Section*, Sidney Sussex College, University of Cambridge, England, August 2013.

"Assessing the Landscape of Population Decline and Growth in the United States: The Roles of the Demographic Components of Change and Geography," *7th International Conference on Population Geographies*, Groningen, the Netherlands, June 2013.

"College Student Migration in the United States: Going with the Flow?" (co-authored with Alessandra Faggian) *Annual Meeting of the Association of American Geographers*, Los Angeles, CA, April, 2013 and *7th International Conference on Population Geographies*, Groningen, the Netherlands, June 2013.

"Human Capital Interstate Migration in the USA: Evidence from the Integrated Postsecondary Education Data System," (co-authored with Alessandra Faggian) *52nd Annual Meeting of the Western Regional Science Association*, Santa Barbara, CA, February 2013.

"College Student Migration in the United States, 2000–2009: Implications for Regional Human Capital Distribution," (co-authored with Alessandra Faggian) *59th Annual North American Meetings of the Regional Science Association International*, Ottawa, Canada, November 2012.

"On the Nature of Shrinking Places: Developing Model Spatial Schedules of Population Decline," *59th Annual North American Meetings of the Regional Science Association International*, Ottawa, Canada, November 2012.

"College Student Migration in the United States: Implications for Regional Human Capital Distribution," (co-authored with Alessandra Faggian) *52nd European Congress of the Regional Science Association International (RSAI)*, Bratislava, Slovakia, August 2012.

"Exploring the Dynamics of College Student Migration in the United States," Population Science Research Day, Population Studies and Training Center, Brown University, May 2012.

"Academic Jobs in Geography in the United States: Temporal Trends, Geographic Patterns, and the State of the Discipline, 1990–2012," *Annual Meeting of the Association of American Geographers*, New York, NY, February 2012.

"Applying the Shift-Share Analysis Technique to State-Level Population Change in the United States, 2000–2010," *58th North American Meetings of the Regional Science Association International,* Miami, FL, November 2011.

"Homeownership, the Housing Cost Burden, Home Foreclosure, and Nativity: Evidence from Miami-Dade County, Florida," (co-authored with Meagan Cahill) *58th North American Meetings of the Regional Science Association International,* Miami, FL, November 2011.

"The Regional Dynamics of Population Change: A Story of Growth and Decline," *22nd Pacific Regional Science Conference Organization*, Seoul, South Korea, July 2011.

"The Landscape of Diversity: County-Level Population Change in the United States, 2000–2010," *Annual Meeting of the Association of American Geographers*, Seattle, WA, April 2011.

"Sustainable Diversity: Population Change and Diversity in American Higher Education," *50th Annual Meeting of the Western Regional Science Association*, Monterey, CA, February–March 2011.

"Understanding the Geography of Student Diversity in American Higher Education," *57th North American Meetings of the Regional Science Association International*, Denver, CO, November 2010.

"The Geography of Geography: An Analysis of Academic Geography Employment Postings in the United States, 1990–2009," *2010 Annual Meeting of the Association of American Geographers*, Washington, DC, April 2010.

"Analyzing Student Diversity at Public Universities in the United States: A Regional Approach," *49th Annual Meeting of the Western Regional Science Association*, Sedona, AZ, February 2010.

"Using Regional and Local Population Composition to Benchmark Higher Education Diversity Goals in the United States," *56th North American Meetings of the Regional Science Association International*, San Francisco, CA, November 2009.

"Assessing the Presidential Vote through a Spatial Demographic Lens: The Influence of Migration and Fertility on 2000 and 2004 U.S. Election Results," *54th North American Meetings of the Regional Science Association International*, Savannah, GA, November 2007.

"Demographic Profiling: Red States and Blue States in Recent Elections," *102nd Annual Meeting of the Association of American Geographers*, Chicago, IL, March 2006.

"Pandora's Box: The Potential and Peril of Migration Data from the American Community Survey," (with David Plane) *44th Annual Meeting of the Western Regional Science Association*, San Diego, CA, February 2005.

"Population Structure, Income Inequality, and Pollution: The Environmental Kuznets Curve Revisited," (with Matthias Ruth) *44th Annual Meeting of the Western Regional Science Association*, San Diego, CA, February 2005.

"Using Migration Flows to Develop Spatial Weights Matrices: An Italian Fertility Example," (with Michael Tiefelsdorf) *51st Annual Meetings of the Regional Science Association International*, Seattle, WA, November 2004.

"Assessing Coastal Population Change in the United States," *100th Annual Meeting of the Association of American Geographers*, Philadelphia, PA, March 2004 and *Annual Meeting of the Middle Atlantic Division of the Association of American Geographers*, College Park, MD, April 2004.

"Migration of the Young, Single, and College Educated, 1995 to 2000," *43rd Annual Meeting of the Western Regional Science Association*, Maui, HI, February 2004.

"Italian Fertility, 1864 to 1961: An Analysis of Regional Trends," *43rd European Congress of the Regional Science Association*, Jyväskylä, Finland, August 2003.

"The Young and the Restless: Migration Behavior of the Young, Single, and Educated, 1995 to 2000," *99th Annual Meeting of the Association of American Geographers,* New Orleans, LA, March 2003.

"Applying Shift-Share Analysis to Regional Fertility Change: The Case of Italy, 1952–1991," (with David Plane) *42nd Annual Meeting of the Western Regional Science Association*, Rio Rico, AZ, Feb.–March 2003.

"Using Shift-Share Analysis to Understand Fertility Variation Across Italy's Regions," (with David Plane) *49th North American Meetings of the Regional Science Association International,* San Juan, PR, November 2002.

"A Spatial Perspective on Italian Regional Fertility Convergence," *98th Annual Meeting, The Association of American Geographers,* Los Angeles, CA, March 2002.

"Fertility Convergence Across Italy's Regions, 1952–1995," *41st Annual Meeting, Western Regional Science Association,* Monterey, CA, February 2002.

"An Assessment of Fertility Convergence Across Italy's Regions," *48th North American Meetings of the Regional Science Association International,* Charleston, SC, November 2001.

"The Role of Fertility Research in Population Geography," *97th Annual Meeting, The Association of American Geographers*, New York, NY, February–March 2001.

"Spatial Dimensions of the Easterlin Hypothesis: Fertility Variations in Italy," (with Brigitte Waldorf) *47th North American Meetings of the Regional Science Association International*, Chicago, IL, November 2000.

"Housing Prices in a Southwestern U.S. City: Evidence from Tucson, Arizona," (with Gordon Mulligan & Adrian Esparza) *12th International Symposium of the Secretariat of the Pacific Regional Science Conference Organization of the RSAI,* Tokyo, Japan, October 2000.

"Shrinking Populations and Below Replacement Level Fertility: The Case of Italy," (with Brigitte Waldorf) *6th Regional Science Association International World Congress,* Lugano, Switzerland, May 2000.

"Explaining Below Replacement Level Fertility: The Case of Italy," *96th Annual Meeting, The Association of American Geographers,* Pittsburgh, PA, April 2000.

"Predicting the Ratio of List Prices to Selling Prices in a Southwestern Housing Market," (with Gordon Mulligan, Adrian Esparza, & Brigitte Waldorf), *46th North American Meeting, The Regional Science Association International,* Montréal, Canada, November 1999.

"Recent Citizenship and Immigration Legislation in France," *95th Annual Meeting, The Association of American Geographers,* Honolulu, HI, March 1999.

Conference Session Organization

"Geographies of Inequality: Beyond 'Left Behind' Places," (5 sessions) *Annual Meeting of the Association of American Geographers*, Denver, CO, March 23–27, 2023 (co-organized with Sanne Velthuis).

"Mapping uneven roads to recovery: Methods, tools, and data for understanding spatial inequality," RGS-IBG Annual International Conference 2022, Newcastle, UK, August 30–September 2, 2022 (co-organized with Caitlin Robinson and Francisco Rowe).

"The SAD Games," *30th Geographical Information Science Research UK (GISRUK) Conference*, Liverpool, UK, April 5–8, 2022 (co-organized with Daniel Arribas-Bel and Levi Wolf).

"Bounding Inequality: Quantitative Methods and Approaches," RGS-IBG Annual International Conference 2020, London, UK, September 1–4, 2020 (co-organized with Victoria Houlden and Caitlin Richardson).

"Migration and Demography," (Three sessions) *65th Annual North American Meetings of the Regional Science Association International*, San Antonio, TX, November 7–10, 2018 (organized with Mark Brown and Bruce Newbold).

"A Globe-Shaped Crystal Ball: The Next Fifty Years of Geographical Analysis," (Three sessions) *Annual Meeting of the Association of American Geographers*, New Orleans, LA, April 10–14, 2018.

"Spatial Demography in Regional Science," *57th Congress of the European Regional Science Association*, Groningen, The Netherlands, August 29–September 1, 2017 (organized with Jacques Poot).

"Aspects of Population Decline I and II," *61st Annual North American Meetings of the Regional Science Association International*, Bethesda, MD, November 12–15, 2014 (organized with Eveline van Leeuwen).

"Economic, Demographic, and Geographic Aspects of Population Decline," *54th Congress of the European Regional Science Association*, St. Petersburg, Russia, August 26–29, 2014 (organized with Eveline van Leeuwen).

"Population Specialty Group: Lifetime Achievement Award for David A. Plane," *Annual Meeting of the Association of American Geographers*, Tampa, Florida, April 8–12, 2014.

"Regional Development," Sessions I–X, *60th Annual North American Meetings of the Regional Science Association International*, Atlanta, Georgia, November 13–16, 2013 (organized with Alessandra Faggian and Elizabeth Mack).

"Internal Migration of Graduates and Regional Labour Markets," *7th International Conference on Population Geographies*, Groningen, the Netherlands, June 25–28, 2013 (organized with Sierdjan Koster and Viktor Venhorst).

"Life Course Influence on Urban Demographics," *Annual Meeting of the Association of American Geographers*, Los Angeles, CA, April 9–13, 2013.

"The State of the Discipline: The Geography of Geography," *Annual Meeting of the Association of American Geographers*, New York, NY, February 24–28, 2012.

Eleven population geography sessions organized, *Annual Meeting of the Association of American Geographers*, Seattle, WA, April 12–16, 2011.

"In These Tough Economic Times (ITTET): Analyzing Recession Geography I & II," *Annual Meeting of the Association of American Geographers*, Washington, DC, April 14–18, 2010.

"Employment in the Public Sector: Getting a Job with the Federal Government," *Annual Meeting of the Association of American Geographers*, Las Vegas, NV, March 22–27, 2009.

"Public Sector Geographic Data: Products and Applications," *Annual Meeting of the Association of American Geographers*, Las Vegas, NV, March 22–27, 2009.

"European Demographic Issues I & II," *Annual Meeting of the Association of American Geographers*, Pittsburgh, PA, April 4–8, 2000 (with Brigitte Waldorf).

Conference, Seminar, and Workshop Organization

Co-Organizer, "Data Center Collaboration Event", Leeds Institute for Data Analytics (LIDA) and The Alan Turing Institute, University of Leeds, July 21, 2022 (led by Susan Grant-Muller, with Alison Heppenstall)

Organizer, "Challenge Week", EPSRC Geospatial Systems Centre for Doctoral Training, Newcastle University, July 11–15, 2022 (Atkins) and September 6–10, 2021 (Kinewell)

Co-Chair, AI UK 2022, London, March 22–23, 2022

Organizer, "The Northern Data Debates", Newcastle University, sponsored by the Alan Turing Institute, the National Innovation Centre for Data and Newcastle Data, April–November, 2022

Co-Host, "Spatial Analytics + Data (SAD): The Interviews", Online Interview Series, https://qmrg.github.io/sad_interviews, co-sponsored by the Royal Geographical Society (RGS), Newcastle University, University of Bristol, and the Alan Turing Institute, Urban Analytics Programme, 2020–2021 (with Daniel Arribas-Bel, University of Liverpool, and Levi Wolf, University of Bristol), 2021–present

Co-Organizer, "Spatial Analytics + Data (SAD)", Online Seminar Series, co-sponsored by Newcastle University, University of Bristol, and the Alan Turing Institute, Urban Analytics Programme, 2020–present (with Levi Wolf, University of Bristol)
